LONDON (Thomson Financial) - New Media Lottery Services PLC said its full-year pretax loss more than doubled to 2.7 mln eur despite an over tenfold surge in revenues but said it was well positioned to move into a period of rapid organic growth.

For the year ending April 30, the company posted a pretax loss of 2.7 mln eur from a loss of 1.1 mln last year on revenues that rose to 437,826 eur from 40,174 eur last year. Its full-year operating loss widened to 2.5 mln eur from 1.0 mln last year.

The company attributed higher costs to increased staffing, costs associated with its AIM listing and higher travel and marketing expenses.
